### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mark Murkowski on 09/21/06.

The application has been amended as follows:

Claims 1,3-5, 7, 11 have been deleted.

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach a method for delivering a therapeutic substance to an internal body tissue comprising the steps of providing a catheter, providing a transducer which is sealed with adhesive to a catheter thereby creating a gap, positioning the catheter and transmitting a signal for generating ultrasonic energy or generating and adjusting ultrasonic energy, in combination with all the structural and functional elements as claimed and further comprising a delivery lumen for delivering a therapeutic substance and causing the substance to elute from the delivery end at the distal end of the catheter.

The prior art of record (6,117,101) teaches an ablation device, which changes the nature of the tissue by using a transducer to generate ultrasonic energy in order to

ablate, cut or coagulate the tissue and not a therapeutic device, which delivers therapeutic agent in combination with ultrasonic energy.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LoAn H. Thanh whose telephone number is (571) 272-4966. The examiner can normally be reached on Mon. - Fri. (First Friday off).

### ***Conclusion***

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nick Lucchesi can be reached on (571) 272-4977. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
